Vision & Aims of Sandy Lane (Why we do what we do)

Sandy Lane is a nurturing and inclusive community with a safe, happy and inspirational environment. Our children become caring and responsible local, national and global individuals. We develop ambitious and aspirational learners, who fulfil their academic and personal potential and take pride in their achievements. Our vision is embodied within our 5 core values: Positive, Respectful, Inclusive Driven, Excellent. We are completely committed to providing our children with a curriculum that inspires and motivates them. We aim to ensure that learning experiences are challenging for all in order to develop resilience as well as knowledge. In addition, we put a strong emphasis on an unerring positive ethos and an expectation of staff and all children living out the values of the school through their everyday behaviours and actions.

Our aim for children through their Sandy Lane journey is:

Introduction

At Sandy Lane Primary, we strive to ensure that children are safe and happy whilst also developing children's character through our behaviour curriculum. In order to build character, we define the behaviours and habits that we expect students to demonstrate. We want to support our pupils to grow into adults who are polite, respectful, inclusive, grateful and who always consider others. We believe that as pupils practise these behaviours, over time they become automatic routines that positively shape their emotional and physical health & well-being, how they feel about themselves and how other people perceive them.

Teaching the curriculum

The curriculum is taught explicitly during the first week in Autumn term alongside the traditional National Curriculum subjects. Children should learn the content of the curriculum so that they can recall the information and act upon it. At the start of each term, the behaviour curriculum is revisited with pupils and will continue to be reinforced throughout the year. As with other curriculum content, this should be taught using explicit teaching based on the ten principles of instruction from Barak Rosenshine including regular quizzing to check and strengthen retention. Teachers will also demonstrate these behaviours and ensure pupils have time to practise these (particularly in the first few days of term). For example, a lining up order should be taught in the classroom but must be reinforced in different locations and times throughout the school day e.g. at lunchtime. It is expected that all pupils will know this content.

Adaptations

While this curriculum is for all pupils it will be applied differently in different year groups depending on pupils' ages and may be applied differently depending on individual pupils' SEND needs. Sensitivity must be applied at all times when teaching the curriculum.

Curriculum Content

Curriculum content to be covered in depth in Autumn Term 1, reinforced at all times and specifically revisited throughout the year

Our Routines

Our staff use a **signaller** to gain the attention of the class. This is done in different ways such as by raising one hand, a short clap, a countdown, a sound signal. When pupils see this, they should respond by being silent and responding by stopping what they are doing, facing the teacher/member of staff, being silent and awaiting next steps.
