Goldilocks & The Three Bears

This week our learning is planned around the story of "Goldilocks and the Three Bears".

The children will be acting out and sequencing the story, exploring the concept and language of size and learning how to order items according to their size. We will be sharing different versions of the story and encouraging the children to join in with the familiar parts. You can watch a lovely musical version if you follow this link:

On Wednesday 18th of October 2023, we are having a Nursery and Reception coffee morning. It will take place in our school library and will be from 9:00am until 10:30am.

It would be lovely to see you there, younger siblings are welcome.

Voluntary Cooking Fund

Thank you for supporting our cooking fund, we loved making our gingerbread last week. This week we will be making toast so that we can find out our favourite topping. All spread used will be dairy and nut free and also vegetarian. The children will also be able to try porridge like Goldilocks and record whether they like it or not!

Wish List

We would be grateful for any donations of the following:

- Kitchen roll tubes
- Comics you no longer need for cutting.
- Unwanted wallpaper rolls
- Old mobile phones
- Shoe boxes

We are starting to look for signs of Autumn around the school. If your child would like to bring in anything they have found relating to Autumn (leaves, conkers, acorns, chestnuts...) We will be making an Autumn display.
