Our class ground rules

- We will join in with the lesson, but we can ‘pass’
- We will listen to others and they will listen to us
- We will use vocabulary that we learn in our lessons
- If we don't know the words to use, we will ask our teacher
- We won't share stories about ourselves, our friends or our family
- We can ask our teacher lots of questions, but not personal questions about their life

To learn the Talk PANTS rules and that they help keep children safe.

We will be able to...

- recognise that adults care for children and help them to stay healthy
- identify safe adults and to ask for help if something is upsetting or worrying
- recognise that some parts of the body are private; and be able to name private parts
- rehearse and recall the PANTS rules
