MY BIG KID PANTS

From nappies to pants

Once, there was a child named _____.
_____ wore nappies every day.
Nappies are soft. Nappies are crinkly.
But _____ is growing big and strong!

One day, _____ went to the shop.

They saw something new: Pants! There were blue pants, red pants, and pants with Bluey on them.

"No more nappies," said _____. "I want to wear pants!"

When we wear pants, the wee and poo go in the toilet.

It is easy! Just follow these steps:

- Listen: Does your tummy feel funny? That means it is time to go!
- Go: Sit on the toilet or the potty.
- Wait: Relax and wait. Splash!
- Wipe: Use the paper to get clean.
- Flush: Say "Bye-bye wee!" and watch it swirl away.

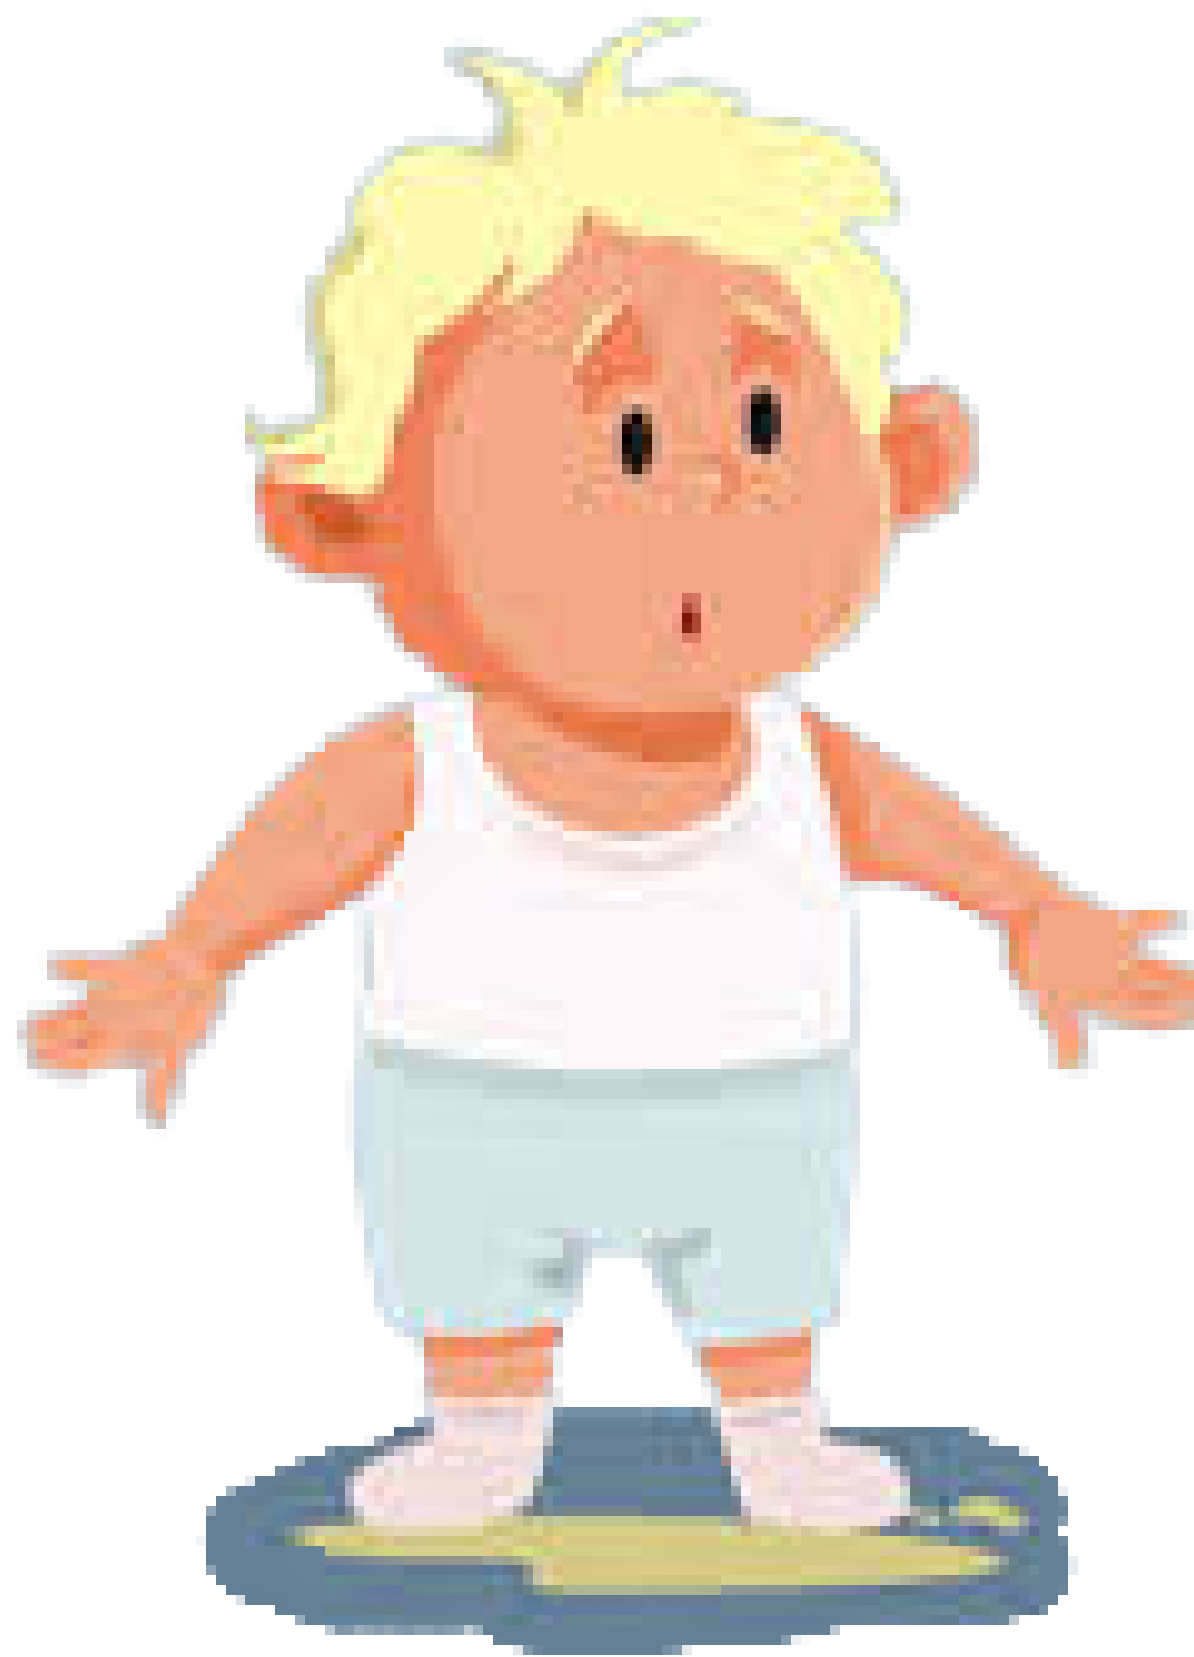

Now for the bubbles!

We use soap and warm water.

Rub, rub, rub. Wash, wash, wash.

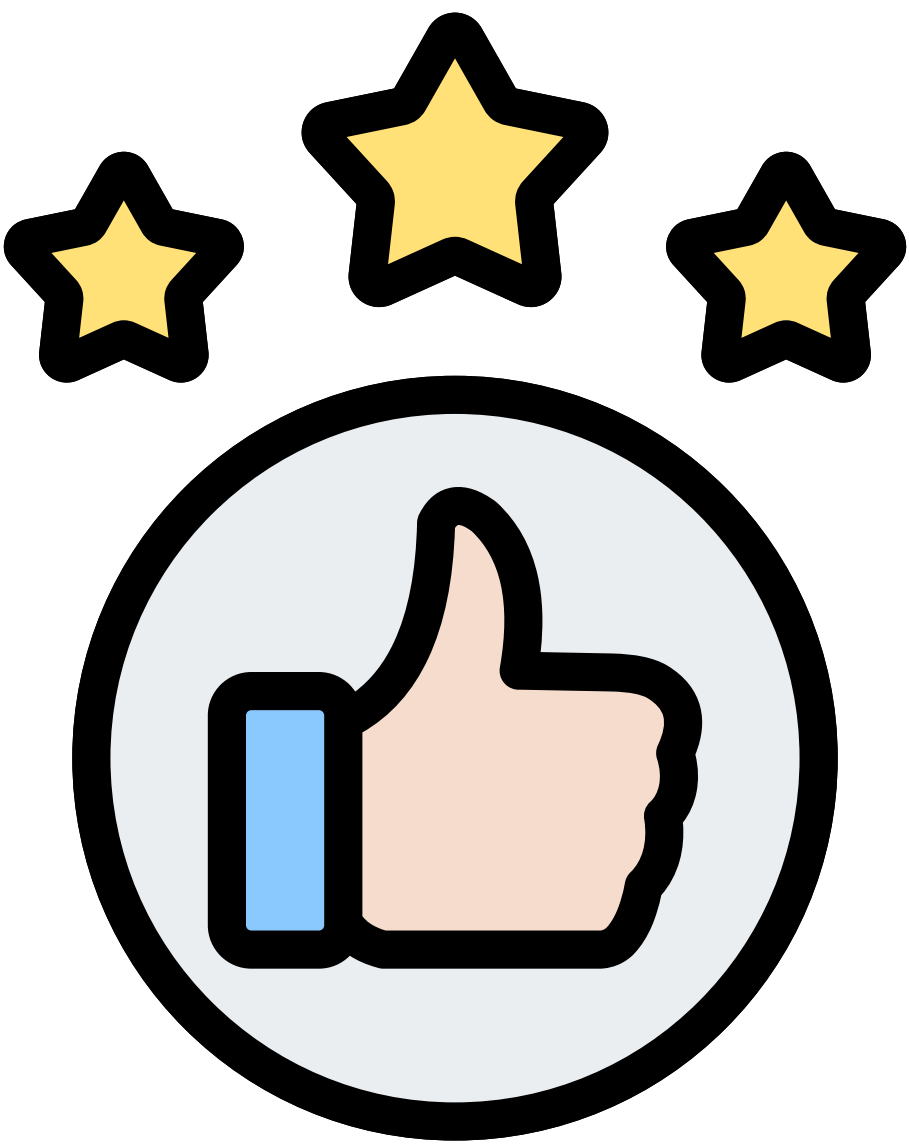

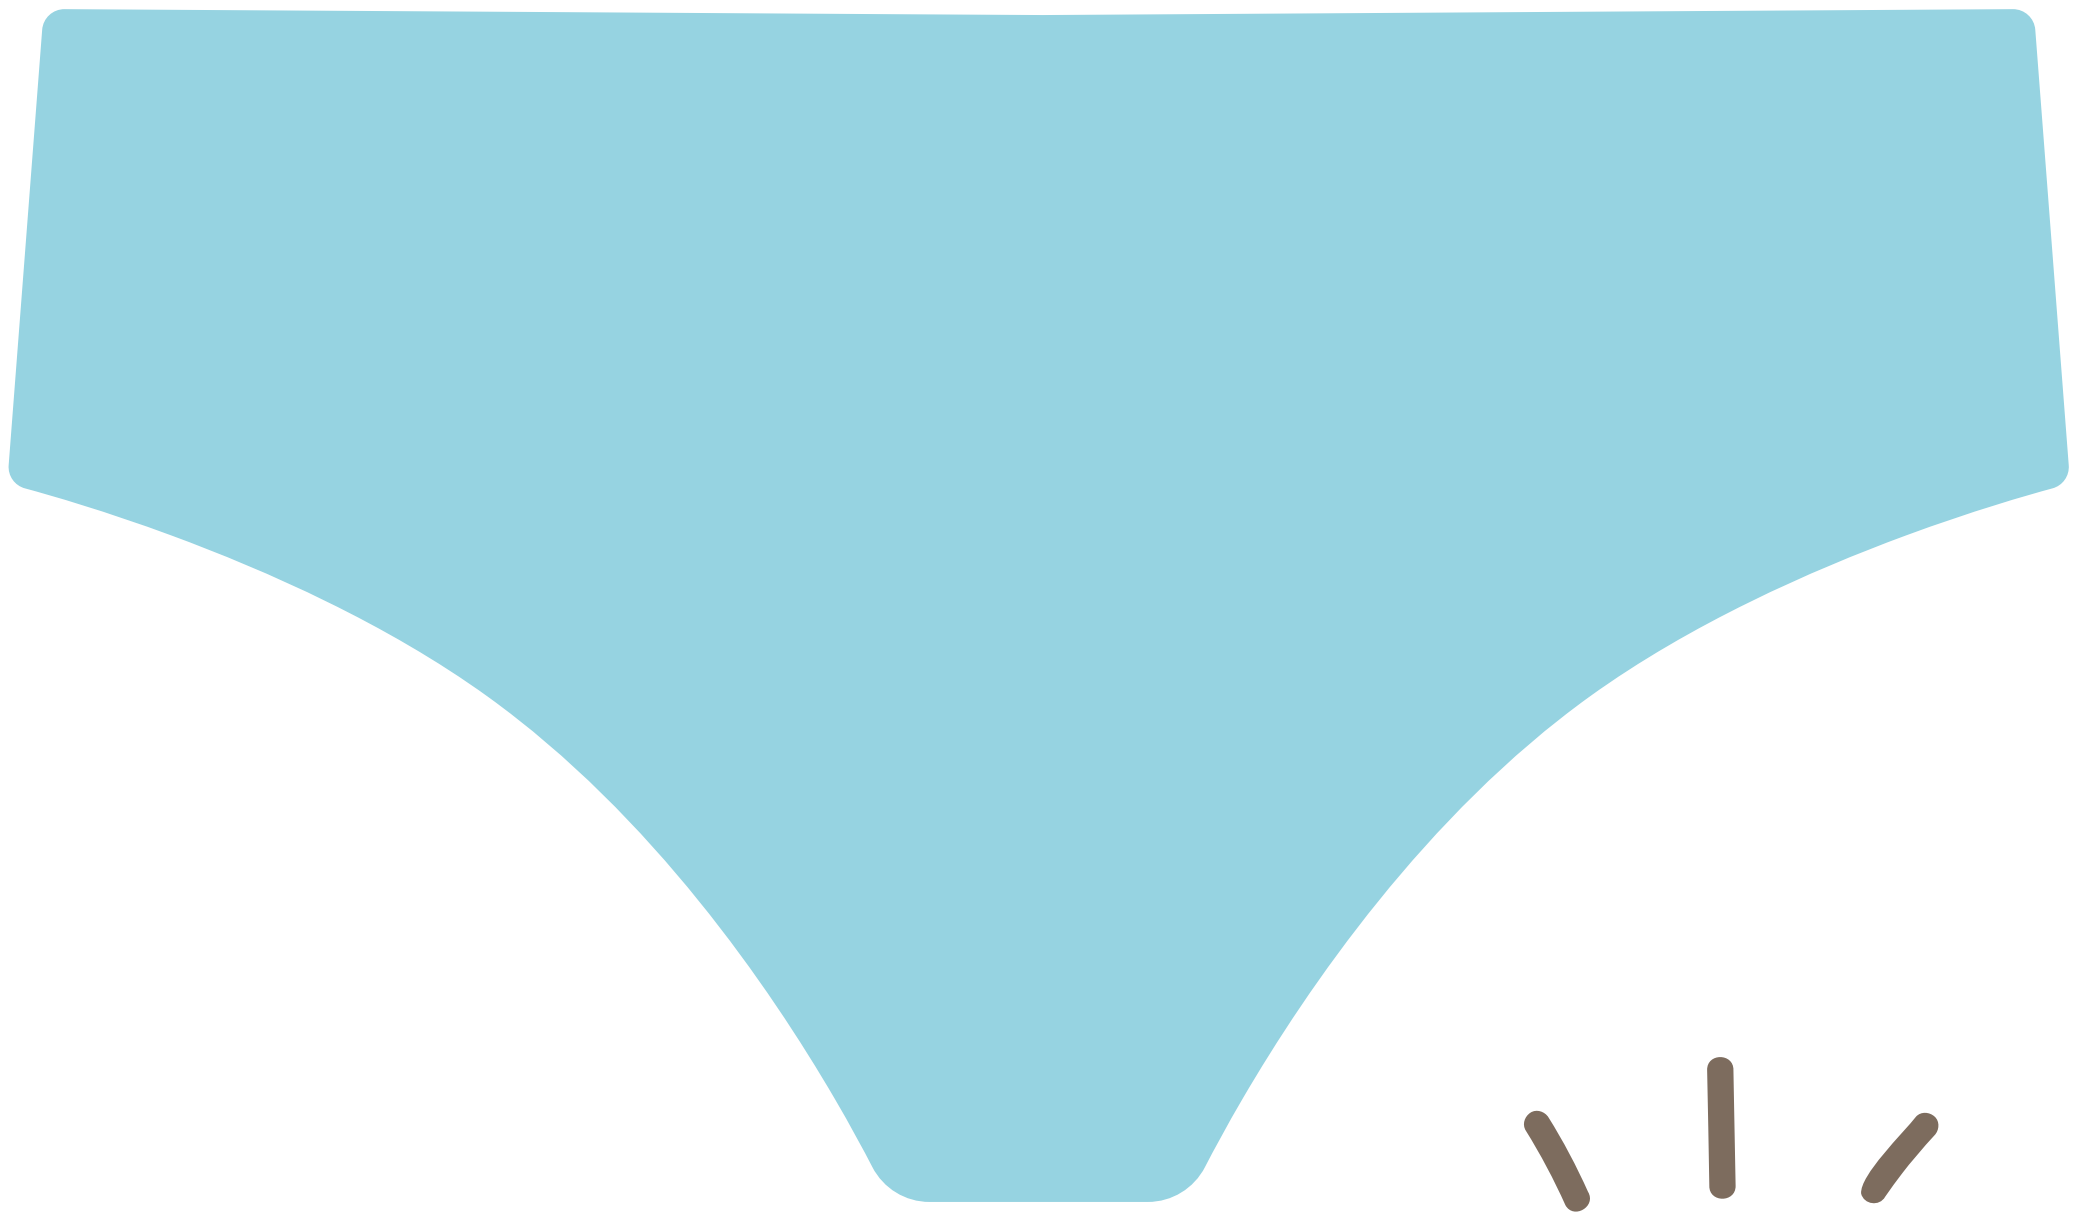

Now your hands are clean and smell like flowers.

Sometimes, we forget. Sometimes, the wee comes out on the floor.

That is okay. We just say: "Oops! Better luck next time."

We put on dry pants and try again. Practise makes us experts!

_____ feels very proud.

No more heavy nappies. Just soft, comfy pants.
High five! You are a big kid now!
